**Subject: Participation of HEIs in India's Net Zero Portal Initiative and nomination of Nodal Officer – reg.**

**आदरणीय महोदया /महोदय,**

The Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India, is in the process of launching India's Net Zero Portal as a national platform aimed at promoting transparency, accountability, and collaborative action towards India's commitment to achieving Net Zero emissions by 2070. The proposed Portal seeks to facilitate voluntary registration of net-zero commitments by institutions and organisations, showcase climate-related initiatives and innovations, and encourage wider stakeholder participation in support of India's climate goals.

Higher Educational Institutions (HEIs) play a significant role in promoting sustainability, environmental awareness, climate research, green campus initiatives, and community engagement. In this context, all HEIs are requested to actively participate in this initiative and nominate a Nodal Officer for coordination related to the Net Zero Portal and associated activities.

Institutions are requested to submit the details of the nominated Nodal Officer through the Google Form available at the following link:

<https://forms.gle/jULfrf1ZoAPHejH68>

The requisite information may kindly be submitted within 07 days from the date of issue of this letter to facilitate effective coordination with MoEF&CC regarding the launch event and related activities.

Further, institutions are encouraged to participate in the webinar being organized by MoEF&CC titled "Demonstration of the Net Zero Portal to Higher Education Institutions for facilitating capacity building, awareness generation, and participation during the launch of India's Net Zero Portal." The details of the webinar are as under:
