Subject : Australia-India Sports Education and Research Webinar series-reg.

The Australia's Department of Education is conducting a series of webinars showcasing the pivotal role Australian universities play in sports education and research. These institutions serve as dynamic hubs for sports knowledge creation, innovation, and skill development—benefiting Australia and the global community.

In order to elevate cooperation in sports education and research and encourage Australian and Indian higher education institutions to partner in building skills, capability and research excellence in sports, all the HEIs are, therefore, requested for participation of their respective sports representatives in the webinar series to explore Australia's world-leading approaches to sports education and research, framed by the ambitious national priorities of Australia's National Sport Strategy 2024–2034 – Sport Horizon and India's National Sports Policy – Khelo Bharat Niti 2025.

The **flyer** containing details for registration & schedule is attached below for information.
