INTRODUCTION

Transtech presents a common platform for engineering students to present technical papers on varied topics of interest.

It encourages the young generation of engineers to delve into numerous activities such as paper presentation and research work, thereby empowering them with a razor-sharp thinking ability.

Earlier, the event has been successfully organized six times with excellent response from many colleges across the country. Apart from Paper Presentations, invited talks by eminent personalities in various sectors are also arranged during the event and a competition of display of models based on any of the sub theme will be held at the venue for which separate prizes will be given. The question answer sessions after the presentations make the event highly interactive and lively. Overall, Transtech is really a professional oriented gathering and a new educational experience.

The theme of Transtech '14 – "Socioeconomic Impact of Futuristic Technologies" – will enable the engineers of today to acquire the contemporary know-how in this sphere of study, thereby edifying them with regards to different aspects of the subject.

This varied range of academic exchanges will benefit not only the participants, but also the to-be engineers in the audience.

Transtech aims at providing an apt forum for such laudable pupils to bring out the best in them, thus leading them towards reaching the top echelons of any industry.

THEMES

Main Theme:

Socioeconomic Impact of Futuristic Technologies

Sub Themes:

- World Technical Vision 2040- Think Wild
- Impact of Advanced Technologies on Human Life
- Smart Materials for Smart Future
- Futuristic Industrial Safety- Impact and Remedies
- High Voltage Applications in Industries and Transportation
- Use of Satellites in Communication Technology
- Impact of Capital Dredging on Environment

REGISTRATION AND ACCOMMODATION

Registration for the conference can be made by sending the completed registration form to the Convener- Transtech '14. The registration fee for conference is as follows, which may be paid by Demand Draft drawn in favor of **Tolani Maritime Institute, payable at Pune.**

Delegate	Residential (per day per person)	Non-residential (per day per person)
Professionals	₹ 1500/-	₹ 500/-
Students	₹ 325/-	₹ 250/-

Residential charges include non-A/C twin sharing accommodation with breakfast, lunch and dinner.

ADVERTISEMENT/ SPONSORSHIP

A souvenir will be published containing abstracts of papers, invited talks etc. for distribution among delegates and dignitaries participating in the event as well as to related organizations across the country. The organizing committee will accept advertisements for the same as per the following rates:

Full Front Cover Page + 4 Delegates:	Rs. 20,000/-
Full Back Cover Page + 4 Delegates:	Rs. 15,000/-
Inside Full Back Cover Page + 4 Delegates:	Rs. 10,000/-
Inside Full Front Cover Page + 4 Delegates:	Rs. 10,000/-
Full Colour page + 2 Delegates:	Rs. 8,000/-
Half Colour page + 1 Delegate:	Rs. 4,000/-

Cheque may be drawn in favour of "Tolani Maritime Institute" or "Institute of Marine Engineers (India)".

CALL FOR PAPERS

Technical papers on the sub themes are invited for presentation in the conference from **STUDENTS (in a group of max. 3)** studying in engineering colleges and training institutes. Abstracts (250 Words) and full length papers (2500 Words) may please be sent **preferably by email** to the convener as per the date schedule given below.

Submission of Full length Paper: 31 Dec. 2013
Registration: 06 Mar. 2014 / at the time of registration.

Kindly refer to the website <http://www.tolani.edu> for guidelines of paper submission.

Participants have to give a presentation (PowerPoint) for 15 minutes followed by a 'Question and Answer' Session.

A copy of the college identity proof should be submitted along with the final paper.

MODELS

There will also be a Models Display competition. Models can be made supporting the papers or independent of the papers but based on any of the sub-themes. Models must be made in the current academic year and certified by your institute. Models will be displayed on all three days and at least one student involved in the model making must be present for display of the models at the venue. Students will be required to explain the model and answer the questions asked by the judges. A write-up about the model should be submitted by 30th Nov. 2013. Write up will be

reviewed and a confirmation for representation will be sent by 15th Dec 2013.

Note: Fees should be sent only on acceptance of abstract.

PRIZES

Presentations will be judged by eminent personalities of the field and following prizes will be given:

For Papers

First Prize: ₹ 5,000/-

Second Prize : ₹ 3,500/-

4 Consolation Prizes: Books worth ₹ 2,000/- (each)

Prize of ₹ 1000/- for best paper in each category of Sub theme

₹ 750/- to each paper presented in the event as the token of appreciation

For Models

First Prize: ₹ 5,000/-

Second Prize: ₹ 3,500/-

All selected authors will be given a certificate of participation and ₹ 750/- will be given for each model displayed as a token of appreciation.

ABOUT THE INSTITUTE OF MARINE ENGINEERS (I)

The Institute of Marine Engineers (India), established in 1980 is the professional body of marine engineers in the country. It aims to promote the scientific development of Marine Engineering with exchange of ideas and co-operates with other institutions for the furtherance of education in marine engineering science.

Pune Branch is a vibrant center of activities especially in the area of Maritime Education and Training.

ABOUT THE INSTITUTION OF ENGINEERS (I)

The Institution of Engineers (India), established in the year 1920, stands today as the testimony to the vision of bygone era as the largest body of engineers in India with a membership of more than 4 lakh. IEI is one of the largest professional associations in the world, obtained the Royal Charter from King George V in 1935 to promote and advance the science, practice and business of engineering in all its branches in India.

The Maharashtra State Centre of IEI is an active and vibrant center in the country with many activities in all disciplines in engineering.

ABOUT TMI, INDURI, PUNE

Tolani Maritime Institute is one of the largest in the country with over 1,500 students enrolled in its campus-based and distance learning programmes. The institute has state of the art facilities

including full mission ship handling and engine room simulator and own thermal power plant. The Institute is dedicated to delivering high quality engineering education and training to prepare its students for rewarding careers in the shipping industry. It offers degree programmes as well as a variety of short-term courses covering both the engineering and nautical disciplines. The institute has been awarded Grade 1 (outstanding) by CRISIL and is an ISO 9001:2008 certified institute approved by DG of shipping. TMI graduates are awarded degrees by the well established Birla Institute of Technology and Science (BITS) Pilani, a deemed university widely recognized as one of India's pre-eminent centres for technology education. Interdisciplinary research, consultancy and continuing education programmes are important components of academics at TMI.

HOW TO REACH TMI, INDURI, PUNE

The institute campus is just beyond Induri village near Talegaon-Dabhade, which is approximately halfway between Lonavla and Pune. Talegaon-Dabhade is well connected by rail and bus to Pune and Mumbai. All the local trains between Pune and Lonavla stop at Talegaon. You can reach Talegaon by taking either National Highway No. 4 or the new Mumbai-Pune Expressway. The Institute campus is located on Talegaon-Chakan road.

Pick up from Talegaon railway station can be arranged.

PATRONS

Dr. N. P. Tolani, Chairman, Tolani Group, Mumbai
Dr. Mrs. Sujata Naik - Tolani, Vice Chairperson, Tolani Group, Mumbai

ADVISORY COMMITTEE

Er. S. S. Rathore, FIE, President IEI
Dr. B. K. Saxena, FIE, Principal – TMI, President, IMEI
Mr. C.V. Subba Rao, President Elect., IMEI
RAdm. K.O.Thakare, NM, Past President, IEI
Er. Mohan B Dagaonkar, FIE, Chairman, Mah. State Center
Cdr. Bhandarkar Convener, Marine Engg. Div., Mah State Center, IEI
Mr. Anant Sahasrabudhe, Chairman, Pune Branch, IMEI
Dr. V.N. Gupchup, Chairman, Academic Council, TMI
Dr. Anil Keskar, Member, Academic Council, TMI
RAdm. Varadarajan (Retd.), Member, Academic Council, TMI
Mr. A. R. Chitnis, Former Chief Surveyor, IRS, Member, Academic Council, TMI
Air Cmde. A. V. Valawade, FIE, Member, Academic Council, TMI
Capt. S.V. Subhedar, Member, Academic Council, TMI
Er. A. K. Mukherjee, FIE, Chairman MRDB, IEI
Dr. D.J.Doke, FIE, Chairman, Pune Local Center, FIE
Er. S.M.Patil, Secretary, MSC, MIE
Er. V. R. Kothari, FIE, IEI
Er. Ajit Gupte, FIE, MSC, IEI
Er. S.G. Bahaley, FIE

Mr. Sanjeev Ogale, Pune Branch, IMEI
Mr. Mohan Joshi, Secretary, Pune Branch, IMEI
Mr. V. S. Gharat, Director – Technical, Tolani Shipping
RAdm. S.S. Godbole (Retd.), FIE
Mr. Sanjeev Wazir, B P Marine
Capt Raj Razdan, Provost- TMI
Capt. Krishnamurthy Iyer, PCNT – TMI
Dr. Sanjeet Kanungo, MIE

ORGANIZING COMMITTEE

Prof. I. K. Basu, FIMar.E, PCME-TMI, Convener
Mr. Arun Mahajan, FIE, MIMar.E Organising Secretary
Col. G. P. Krishnamurthy (Retd.)
Capt. Manoj Hirkane
Cmde. H. A. Gokhale (Retd.)
Mr. Prabhakar Shidhaye, MIMar.E
Mr. Ganesh Ingle
Ms. Nilima Joshi
Ms. Swati Bhise
Ms. Sheetal Joshi
Ms. Shabana Shaikh
Ms. Pramila Sawant
Ms. Amruta Kulkarni
Ms. Sheetal Deshpande
Mr. Praveenkumar Vaidya
Mr. Subodh Betgiri
Mr. Vedprakash Arya
Lt.Cdr. Kuldip Singh (Retd.)
Mr. Ashok Kumar Kohli
& Volunteer Students of TMI

TECHNICAL COMMITTEE

Dr. S. D. Pohekar, FIE, Chairman Tech. Committee
Dr. Rajendra Prasad, FIMar.E
Mr. Shishir Dutt, MIMar.E
Capt. Abhijeet Avate
Mr. Laxman Tikore, FIE
Cdr. Bhaskar Walimbe (Retd.), MINA
Mr. Anand Tappu
Mr. Anirudh Kumar, MIMar.E
Mr. Sankar Subramanian, MIE

ADDRESS FOR COMMUNICATION

Convener- TRANSTECH '14
Tolani Maritime Institute, Talegaon-Chakan Road,
