D.O.No.1-8/2017(SWAYAM)

11 फाल्गुन, 1947/ 02<sup>nd</sup> March, 2026

**Subject: Request to HEIs for Demand-based Mapping of SWAYAM MOOCs for the July 2026 Semester.**

आदरणीय महोदया/महोदय,

This is with reference to UGC's earlier letter D.O. No. 1-1/2024 (SWAYAM) dated 9<sup>th</sup> December, 2025, whereby Higher Education Institutions (HEIs) were requested to identify SWAYAM MOOCs for the **January 2026 semester**, map them with their academic curricula for credit transfer, and disseminate the information among students.

In order to strengthen the SWAYAM initiative and ensure that future planning of SWAYAM Course offerings, with the **academic and curricular requirements of HEIs**, the **Ministry of Education (MoE)** has advised the **University Grants Commission (UGC)** to undertake a **demand-based mapping exercise** for SWAYAM course offerings for the **July 2026 semester, in consultation with Higher Education Institutions**. This exercise will enable effective planning and facilitate the offering of courses that are best aligned with the specific requirements of Universities. Universities are requested to **examine the University curriculum with the list of available SWAYAM Courses (attached herewith) and provide their inputs on available gap areas in SWAYAM Courses w.r.t**

- Percentage of Mapping of the SWAYAM Course with the University curriculum.
- Credit requirements
- Choice of Language suitable for the SWAYAM Course
- Course level (UG / PG)
- Indicative NCrF level provided by HEIs
- Identify the suitable Discipline / Subject Area of the Course (e.g., STEM, Humanities, Social Sciences, Commerce, Management, Law, Education, Agriculture & Allied Sciences, Medical & Allied Sciences, Environmental Studies, Multidisciplinary, Vocational / Skill-based, or any other area).
- Indicate if the SWAYAM course is to be re-run in the subsequent semester
- Courses required at your HEI but not available on SWAYAM
- Any other relevant requirement(s) of the University/HEI

HEIs are requested to furnish the requisite inputs **only through the UGC Mapping Portal at <https://eseva.ugc.ac.in/swayammapping/>** on or before **10<sup>th</sup> March, 2026**.

The consolidated inputs received through the Online Form from HEIs shall be shared with the concerned SWAYAM National Coordinators (NCs), who will be requested to take the necessary action to develop, update, and/or rerun **relevant SWAYAM courses** for the **July 2026 semester**.

Your continued support and cooperation in the successful implementation of the **SWAYAM initiative** are earnestly solicited.
