### "Into The New World"

—SNSD

South Korean girl band SNSD sings *Into The New World* as the country's president, Yoon Suk Yeol, is impeached. Meanwhile, the Korean wave in literature, films, music, fashion, beauty, food and business is spreading far and deep inside India

RNI NO. 7044/1961

## ALL HAIL HALLYU

This year Han Kang became the first Asian woman to be awarded the Nobel Prize for Literature. Her books are selling faster than the bookstores can order them in many Indian cities. Korean film *Parasite* (2019) is one of only three films in history to win the Palme d'Or at Cannes as well as the Best Picture Award at the Oscars. PSY, BTS and SNSD songs are popular from Darbhanga to Dharwad. There is a little bit of Korea—fashion, food, beauty, cars and home appliances—in all of us. And now the political upheaval in the country is making global headlines. This issue of *Outlook* is an ode to *Hallyu*, the Korean wave, sweeping far and deep in India.

### 44 | AN AGGRESSIVE WAVE

What propels the rising influence of K-culture in India? Is it here to stay?

### 72 | TAPPING EVERYDAY INTIMACIES

Korean filmmaker Hong Sang-soo departs from his outsized national cinema with low-budget, chatty dramedies

### 76 | THE K-KRAZE

### 80 | INDIA READS KOREA

Literature Nobel winner Han Kang is one among many Korean writers Indians love to read
